

Academy Consultation

Name Change

Leon school & Sports College becomes an Academy on the 1st September 2012. One opportunity we have is to change the name of the school. The governors will make this decision but would welcome suggestions from any person connected to the school, a possible future name (this might or might not have the word 'Academy' in it).

Please email cadkins@leon.milton@keynes.sch.uk with any suggestions.

Uniform

On 1st September 2012 we will also ask our students to wear black blazers for the first time. The school will provide the badges. Do you have thoughts on how this might be merged into our current expectations?

Please email cadkins@leon.milton@keynes.sch.uk with any suggestions.

Deadline: 29th February 2012
