

# Buckinghamshire Female Football Academy Launched

**A fantastic new female football academy will be launched in Bucks this September 2008.**

This unique academy will offer 16-19 year old elite female footballers the opportunity to receive top level football coaching from experience UEFA A and B Licensed coaches, as well as studying a wide range of academic courses from A-levels to fitness instructing. In addition, girls will be able to undertake coaching qualifications in a variety of sports, up to and including UEFA B licence (level 3) in football coaching.

Benefits of the academy will include: daily training focusing on technical and tactical development, regular fixtures against other academies, strength & conditioning programmes, individual appraisals/development plans and video analysis sessions.

The academy site boasts a brand new Astroturf, swimming pool & gym facilities as well as outdoor pitches, plus much more. There is also the opportunity for accommodation and the possibility of free transport from pick up points within the county.

If you are an elite female player and would like to be part of this exciting new academy, while developing both your academic and footballing skills, please email us with your enquiries or brochure requests at:
